Great opportunity to get your foot in the door in Costa Rica with this 2BR/2BA 3-level condo with a private ocean view roof deck on the 3rd level! It's a bit of a fixer-upper and located a little off the beaten path. But for someone with a little imagination, it's a jewel in the rough and you can't beat the price.

There's almost no inventory in a 2BR/2BA condo at this price.

Vista Perfecta 2 #10

Living, dining, and kitchen spaces blend together in this open living plan with one bedroom area downstairs toward the back with its own small patio at ground level. There's a full bath serving both the bedroom area and dining/kitchen areas. And the front of the unit looks out over the pool.

The upstairs bedroom has its own bath and a large terrace. You can access the huge rooftop deck via a steel spiral staircase from the terrace and enjoy a great peek-a-boo view of Bahia del Coco from your lounge chair with a cold margarita or beer in hand.

It's a simple layout in a sleepy part of town in a quiet development. Yet close enough to Coco Centro by bike or golf cart so that you can enjoy all of the amenities that Coco has to offer - restaurants, shopping, clinics, pharmacies, supermarkets, hardware stores, bars, and a whole lot more.
